

INVITATION: FLUXOME AT SUPPLYSIDE WEST

VISIT OUR BOOTH AT 24111

Fluxome, for the fourth consecutive year will be exhibiting at the SupplySide West conference in Las Vegas. We hereby invite everyone to visit our booth to obtain new information on Fluxome® Resveratrol and the state of the resveratrol market. This year we would like to share the latest information of the on-going clinical studies Fluxome is involved in as well as introduce different novel turnkey solutions with Fluxome® Resveratrol.

Fluxome is looking forward to this year's show and invites everyone to come by our booth - # 24111 – for an update on our activities and to obtain the most recent information on the resveratrol market and nutraceuticals produced by fermentation.

We would like you to get the latest information about our on-going clinical studies on resveratrol. Among other things the most ambitious resveratrol human clinical study ever, which was recently launched in Denmark.

We are eager to show you new exciting applications with resveratrol. Fluxome offers a range of turnkey concepts developed together with our cooperation partners representing unique delivery systems and technologies.

The Most Exciting Antioxidant!

RESVERAGUM

At our booth you will be able to get a taste of our new concepts! Try our functional chewing gum "ResveraGum" developed together with Gumlink/Tab Labs. The Concept is a novel turnkey solution with Fluxome® Resveratrol that can be modified according to our customers' unique demands.

Welcome and we look forward to see you at this week's show!

With our best regards,
Fluxome
